How might it develop in the future? (restate the question and use a complete sentence)

8. In the future, German culture will probably be more popular to other countries like the USA who celebrates Oktoberfest.

What is your best open-ended question about this topic for your partner, that will give him or her the opportunity to show how clever, interesting, intelligent or engaged they are in your topic? Do not write a YES/NO question!

- #9 What American etiquette would you tell your German friend if he or she visits you during the holidays?

?

„Danke” (partner repeats „Danke” after you)

„Wiedersehen” (offer your hand for a handshake)

### How to transition between presentations:

Hold up your index finger above your head until you find another classmate with their hand up. Move together and present again: ladies before gentlemen, and longest hair before shorter hair. Don't present to the same person more than once. Keep going until the time is over.

### DON'T FORGET:

Staple all 3 Culture Assignments to the bottom of this ditto (texthandling worksheet, highlighted article and PHOTO ON THE BOTTOM). Hole-punch this completed project. Submit your photo and article in the online dropbox before turning in your clip. Have our German wiki page open with your uploaded photo, and German article on your computer screen when you turn in your clip. Get this completed packet scored in class on or before the due date.
